Camp Ignite ...Interesting and Informative

At the end of Camp Ignite, campers got an opportunity to express their feelings about the camp. When asked *“Would you encourage your friends to attend Camp Ignite 2018?”* 16% of campers said *“No.”* 84% said *“Yes”*. In response to the question *“In one word, how would you describe Camp Ignite 2017?”*, the 16 % who said they would not encourage friends to attend Camp Ignite 2018 gave reasons such as *“boring”, “disappointing”* and *“fair”*. However, as mentioned, 84% said the following: *“Ok”, “Good,” “interesting”, “great”, “Informative”, “action-packed.”*

The percentage of persons rating the camp highly speaks for itself. It is pleasing to know that the camp had an impact on a significant number of our youth. Even those who made negative comments would still have been exposed further to God’s word.

Camp ignite began on Monday 31st July and ended on Saturday 5th August 2017. There were twenty (20) campers from the Berean Bible Church and four (4) from New Life Community Church. Altogether, there were sixteen (16) boys and eight (8) girls.

provided sponsorship to cover the camp fee of a few campers. Other members of the congregation placed donations in the money box provided.

Campers participated in a variety of training sessions including; How to pray and do Devotions, Bible Study, Counselling, Sports, Band Training, Flower arranging, Voice Training, Initiative tests.

The feedback from campers on the evaluation forms can be used in planning Camp Ignite 2018.. This type of activity is a good way of harnessing the boundless energy of our youth, directing their focus on Him.

We express sincere thanks to parents and the entire congregation for understanding our objectives and supporting them.
